

ACCESS WITHOUT COMPROMISE

Cargo Beds

Access Without Compromise

If you have ever crawled into the back of a pickup truck or other service vehicle to locate and retrieve heavy items such as tools, equipment and supplies, you will appreciate the functionality and practicality of our versatile roll-out Cargo Bed. Features include:

- Access to 80% of your cargo space from a standing position outside the vehicle
- A reduction in back injuries and compensation claims
- Built for every make and model of truck including Ford, Chevy, GMC and Toyota
- An affordable permanent asset
- Ruggedly built for a lifetime of service
- You are only limited by the carrying capacity of your vehicle
- Takes over where our competition stops!

A Wide Variety of Applications

For work or play, extendable Cargo Beds provide safe and easy access to anything stored within the cargo space of your vehicle. Popular applications include:

- Oilfield, Gas & Pipeline
- Surveying & Geomatics
